English

5 star shredders. star shredders. all star shredding castlerea

Stylised 90s anime visuals and creative gameplay, needs polish but the potential is here.. Early days for this game but you can already see the potential. The developers seem to know the 90's era well and have nailed the art style and gameplay. Thereu2019s only one level at the moment and thereu2019s a lack of polish, but itu2019s definitely fun enough to play more than a few times and feels like a healthy mix of RayCrisis and U. N. Squadron. Considering the price and the fact that two guys

are building this from scratch, I would definitely consider supporting them.. Early days for this game but you can already see the potential. The developers seem to know the 90's era well and have nailed the art style and gameplay. Thereu2019s only one level at the moment and thereu2019s a lack of polish, but itu2019s definitely fun enough to play more than a few times and feels like a healthy mix of RayCrisis and U. N. Squadron. Considering the price and the fact that two guys are building this from scratch, I would definitely consider supporting them.. Huge fan of Shooters and Star Shredders have alot of potential. I really like the retro feel of the game reminds me of the Sega saturn, Dream cast and playstation one era..
